<u>Check Firefox version</u>

Check Firefox whether it is update or not. If not, download update version of Firefox and install it.

Firefox が更新されているかどうかを確認 s する。そうでない場合は、Firefox のアッ プデートバージョンをダウンロードしてインストールください.

Periksa Firefox apakah pembaruan atau tidak. Jika tidak, unduh pembaruan versi Firefox dan instal.

<u>Firefox Setting</u> Open new tab in Firefox and write "about:config".

Firefox で新しいタブを開き、「about : config」と書き込む.

Buka tab baru di Firefox dan tulis "about: config".

Click "I accept the risk!" button

Click strict in Search box

	112	Problem 112	Variable	
	113	Problem 113	Java I/O	

2.

Anyway, click the recommended question button when you have clicked answer button.

If the same problem is occurred more than two times although you click the "Recommended Question" button, then click "Next button" to continue.

とにかく、回答ボタンをクリックしたら、問題推薦ボタンをクリックしてください. 「Recommended question」ボタンをクリックしても同じ問題が2回以上発生する場合 は、「Next」ボタンをクリックして続行してください.

Bagaimanapun, silakan klik tombol pertanyaan yang disarankan ketika Anda telah mengklik tombol jawab. Jika masalah yang sama terjadi lebih dari dua kali walaupun Anda mengklik tombol "Recommended question", kemudian klik "Next" untuk melanjutkan.

Submission

When you can solve the highest-level problem, it will show "congratulation" message box and request to submit your answers.

最高レベルの問題を解決できる場合は、「おめでとう」メッセージボックスが表示され、回答 の送信が要求される.

ketika Anda dapat memecahkan masalah tingkat tertinggi, itu akan menampilkan kotak pesan "selamat" dan meminta untuk mengirimkan jawaban Anda.
